Warm-up: trace the lines

Tracing page

Trace each dotted line, then draw the same line yourself

straight

your turn

zigzag

your turn

wavy

your turn

curvy

your turn

loops

your turn

spiral

your turn

Start at the dot and follow the arrows. These are the lines you will cut later!

Trace my name

A grown-up writes my name in pencil on the first line. I trace over it, then copy it.

Grown-up: write my name here in pencil. Then trace over it.

Now copy my name

Copy it again

A bit smaller

Now very neatly
